

SECOND CURRICULUM DAY – TOMORROW - **WEDNESDAY AUGUST 5TH**

Tomorrow, Wednesday the 5th of August has been approved as a Curriculum Day. Due to this, no students will be onsite and learning tomorrow.

Our Remote Programs will be available as of Thursday, as will onsite supervision. Parents wishing to book in for onsite supervision must speak to me to discuss eligibility.

Our OSHC program will also open – but only to those using the onsite supervision program. Bookings for OSHC are made in the normal way.

Apologies for the short notice regarding tomorrow – however guidance for how we operate is still pending and to ensure we are ready to work safely, the additional day has been approved for tomorrow.

Stay safe.
